September 13, 2015

Email discussions held between September 2nd and September 13th, 2015

Approve \$3000 to \$5000 in hiring lawyer to serve notices and liens to eight residents who did not pay their dues. Hire the lawyer from Buckingham Woods and start the process this week. Board vote: Unanimous.

It was noted in the above discussion that a raise in dues next year might be required if we continue to require legal services.
